

Measuring International Financial Supervisory Transparency

Christopher Gandrud

November 28, 2014

Why financial supervisory transparency?

Financial supervisory transparency has been **lauded** as promoting:

- ▶ financial system stability,
- ▶ democratic legitimacy for supervisors.

Why financial supervisory transparency?

Financial supervisory transparency has been **lauded** as promoting:

- ▶ financial system stability,
- ▶ democratic legitimacy for supervisors.

But...

We **lack reliable, cross-country.** and **cross-time** indicators of financial supervisory transparency.
